

Positive Behaviour Support (PBS)

The Children's Community Learning Disability Team (CCLDT) and Healthy Young Minds Learning Disability Team (HYMS-LD) are providing a training event for parents/carers of children and young people with learning disabilities. Come and find out more about Positive Behaviour Support (PBS) and how this approach can support you as parents and carers to understand and manage challenging behaviour.

Stockport's Challenging Behaviour Support Services for people with learning disability and/or autism have undergone a period of rapid change and improvement. Learning disability specialists have undertaken extensive training in Positive Behaviour Support, new interventions are available like the 'Riding the Rapids' parenting intervention.

This will be an opportunity for parents and carers to discover and learn:

- **What is Positive Behaviour Support (PBS) framework**
- **Understanding challenging behaviour**
- **Positive, proactive strategies to reduce challenging behaviour**
- **Network with other like minded people**

**Thursday 6th February 2020, 10am – 2.30pm (9.45am registration)
Cheadle Town Football Club, Park Road, Cheadle SK8 2AN.**

Places are limited, please book early via www.eventbrite.co.uk and search for 88650866127
