Have fun, support your child's learning through play and meet other parents and carers.

"Not only has my daughter benefitted immensely from interacting with children like herself, but I have met and got to know some great people who have been an incredible support to myself."

"Stay and Play has really built my confidence."

"I really enjoy the group, I find it supportive and useful."

Families are welcome at both our weekly sessions or whichever day is more convenient for you.

We hold free information sharing sessions as part of Stay and Play, such as Makaton signing and baby massage.
